We offer a discount for 3 hours or less including set-up and clean-up: Monday through Friday Day, and Sunday through Wednesday Evening — \$100 / \$85; or Friday or Saturday Evening — \$125 / \$100.

Programs extending past 5:00 pm are charged Full Day rate.

Our Non-Profit Rate is for NGO (non-governmental organization) non-profit groups with or without 501(c)3 tax exemption status.

The \$100.00 damage deposit is due ASAP with the filled out and signed rental agreement to finalize your reservation. Your rent payment is due at least 14 days before your event.

Residential quiet by 10 PM - Our building is zoned residential, so we are required to be quiet enough that a neighbor won't hear sound from an event after 10 PM.

We rent for non-alcohol functions only.

Tobacco and marijuana — smoking, vaping or chewing — is prohibited inside, near windows and doors (must be at least 25 feet from doors and open windows), and around the children's play areas, (swing, sandbox).

The classrooms off the foyer are not included in what is rented to you. We reserve the use of them, so a Quaker group might use them while you are in the building and may use the restrooms during that time.

Minors – We encourage youth events and activities. We require at least one adult chaperone per ten minors (under age 18) to be present during your event.

We do not include set-up or break-down and cleaning in our services. Ask about how to leave the set-up of the building after your event. There is no “cleaning fee” – this rental is appropriate for you if you can return tables and metal chairs to closets, place dishes and dishwasher soap in washer and run it or hand wash, and remove all excess glass, plastic, and trash that won't fit our outdoor containers while leaving some room for others.
